Major delivery update coming soon on the Chris B App

We understand when hunger strikes, nothing should stand in the way of your food getting to you. That's why we're rolling out a **major upgrade** to our delivery module on the Chris B App.

Very soon, you'll see a **four-wheel car pull up with your orders on a regular**, ensuring faster, smoother, and more reliable deliveries. Whether it's lunch at the office or dinner at home, we're stepping up our game so your Pizzaman Chickenman meals reach you in perfect condition every time.

Menu Items of the Month

We're halfway through August, and our menu champions are making themselves known. Leading the race is the **Guyman Pack Jollof**, a clear crowd favorite that's been flying out of our kitchens day after day. Hot on its heels is the **Jollof Mini Bucket served with chicken wings**, winning hearts with that perfect blend of flavor and satisfaction. Close behind comes the **Guyman Pack Fried Rice**, bringing its own delicious flair to the table, followed by the **Guyman Jollof Mini Bucket**, and rounding out the Chickenman category is the ever-reliable **Complete Guyman**.

Of course, we can't forget the pizza lovers. The Dukeman Pizza sits comfortably at the top, with Kersame, Obridan, and Breezy claiming their spots as must-try favorites. It's safe to say, August has been all about bold flavors and unbeatable combos.
