The Guyman Family

What the people are saying

The **Guyman Family** has been making waves across all platforms and our customers haven't held back! From rave reviews to excited reactions, here's a quick snapshot of what the streets and socials are saying about the Guyman Family.

Introduction of Complete Guyman Pack

This month, we launched the **Complete Guyman Pack**, and it quickly became a hit across all our branches. Designed with our Guyman family in mind, this combo brings together everything you'd want in a meal at a price that makes everyone smile.

Customers could choose between **Jollof or Fried Rice**, served with either **fried Chicken or Beef**, tossed with our spicy sauce, depending on what they were craving. To top it off, we added a chilled **0.5L Coke** and our signature **Guyman Pizza**, all for just **GHS 100**.

The feedback? Overwhelmingly positive. Many called it the **best food deal they've seen in a while**, and it became the go-to option for those who wanted more for less. From students to workers, everyone found something to love in the Complete Guyman Pack.

Now available at all branches and on the Chris B App, this pack continues to serve value, flavour, and satisfaction in one package.

Introduction of the Guyman Rice and Stew

Netizens asked, “Can we get the Zongo Rice & Stew to join the Guyman family?” – and we listened.

Back in **January 2024**, we introduced the **Chickenman Rice & Stew** with a free public tasting at our Dansoman branch, followed by a wave of excitement online. The aim was to bring back the well-loved Ghanaian rice and stew combo in a way that felt fresh, tasty, and satisfying and it didn’t disappoint.

Fast forward to April 2025, and by popular demand, we made it official: the menu item is now part of the Guyman family. We present to you “**Guyman Zongo Rice & Stew.**”

For just **GHS 49**, you get rice, rich stew, two pieces of chicken, and macaroni. It’s a bold, flavour-packed combo that delivers on taste and value, and has already become a crowd favourite for many.

It’s currently available across all **90 branches** nationwide. To place your order, download the **Chris B App** (available for both iOS and Android Devices) or **call 0302753430**.

Guyman Pro Max

Some cravings deserve more than just the usual – that's why we brought you the **ProMax Deal**, The combo for those who don't come to the table to play.

This new offer was made specially for real food lovers. For just **GHS 149**, you get a **small-sized Chibella Pizza**, **any Guyman Pack of your choice**, and a chilled **Coke** to tie it all together. Pizza meets rice, flavour meets satisfaction all in one sitting.

It's that type of combo that turns heads when it arrives on your table. You get a slice of everything you love – cheesy, saucy pizza paired with a Guyman pack, paired with either chicken or beef. It's big, bold, and worth every pesewa.

Hungry already? We get it. The ProMax Deal is ready when you are. **Place your order now via the Chris B App or call 0302753430.** Let your appetite go ProMax because small bites just won't do.

Lunchtime Highlights – April Edition

Our **Lunch Time Initiative** continues to be more than just delivering food – it's about sharing moments and putting smiles on faces.

This Month, we took the experience a step further, visiting institutions and communities across the country. From celebrating Eid at the **Kumasi – Tafo Mosque** with our Muslim brothers and sisters to creating shared moments with the **Legal Department of Bills Micro Credit**, every stop reminded us why we do this. Our visit to **Our Lady of Grace SHS (OLAG)** was another highlight, where we connected with the student leadership and teachers over good food and great vibes.

The **Lunch Time Initiative** continues to grow, and we're just getting started. Each visit reinforces our mission: to make good food accessible to everyone.

Would you like us to visit your workplace, school or religious organization? Send us a DM or email ***marketing@ceqalimited.com*** to request a visit. You might just be our next stop!
