Santa Season is HERE: Spreading Joy Across Accra!

The most wonderful time of the year has arrived, and here at Pizzaman Chickenman, we decided Christmas needed an early start! We are absolutely thrilled to be spreading that special kind of holiday love, joy, and irresistible deals right to your neighbourhood with the official launch of our **Santa Season!**

This initiative kicked off with a massive splash, featuring back-to-back promotions and truly unforgettable fun at selected branches across Accra. Imagine music pumping, our famous 'Spin-The-Wheel' giving away fantastic prizes, unbelievable deals on your favourite meals, and the pure excitement of meeting the one and only **Santa Claus!** It has been a heartwarming experience to see so many families and their enthusiastic kids join us in the festive cheer.

Our high-energy journey through Accra included four fun-filled days

ROADMAP

But hold onto your Christmas hats, this is just the beginning! **The Santa Season roadshow** is still actively rolling, loaded with more surprises, giveaways, and unimaginable deals. Make sure you are following all our social media pages closely. We might just be turning up the heat and the holiday fun at a branch close to you very soon!

The Colour Your World Initiative & Day at Bliss!

At Pizzaman Chickenman, we prioritize all our customers and that especially includes the little ones who visit us! We know waiting for a fresh, hot meal can sometimes test the patience of our youngest Guyman Family members, which is why we proudly introduced the **Colour Your World Initiative**.

This program is our dedicated effort to turn waiting time into fun time! For customers who walk into our branches with their kids to place an order, the children get the chance to express their incredible creativity by simply **"colouring their world"** with our special materials. It's a wonderful opportunity for them to engage their imagination while you wait.

But the fun doesn't stop there! We believe creativity deserves to be celebrated. Our little artists were recently rewarded for their amazing work with a fantastic, unforgettable day out at the **Bliss Family Entertainment Center!** It was a time filled with pure joy, games, and laughter, all thanks to their talent and enthusiasm.

The Colour Your World Initiative is available at all our branches. Next time you visit, walk in with your kids and let them have some fun. There is always something special waiting for you from Pizzaman Chickenman!

Takoradi's 'Richie Auntie' Wins the Second iPhone!

Ms. Aisha Harunu

The winning streak continues! We are excited to announce our second champion in the massive iPhone Raffle.

Please join us in celebrating the dynamic **Ms. Aisha Harunu**, popularly known across Takoradi as '**Richie Auntie**'!

Ms. Harunu is a successful young entrepreneur who owns a thriving business dealing in wigs and hair. She brought her infectious energy to claim her brand-new **iPhone 17 Pro Max**!

Richie Auntie is a true example of smart ordering. She secured her entry into the draw by consistently making purchases through the official **Chris B App**. Her favorite order? The classic **Kersame Pizza**, which she often enjoys and shares with her dedicated staff at her shop. It's clear that when she places an order, she's thinking big!

We have loved celebrating our winners from Goaso and now Takoradi! Their stories prove that anyone can win.

With two more iPhones still up for grabs, your luck could be next! Follow the guidelines on our social media pages, keep ordering through the secure **Chris B App**, and you could be the next person we feature!
